COMES WITH FREE CLONING SOFTWARE

Our SSD comes with an easy-to-use system cloning software that allows you to transfer your computer's operating system (OS) and data to the new SSD

- STEP 1** Find ECHO cloning software at SP Official website
www.silicon-power.com/web/au/software
- STEP 2** Verify your email address
- STEP 3** Find the verification code on SSD product label
- STEP 4** Get Echo Software Serial Number and Download link via Email

One click cloning: easily transfer your data and OS
