6. 【SP Echo Software Download - Email Address Verification Required】を受信し、メール中のリンクをを選択します

※迷惑メールで受信する可能性もあるので、ご注意ください。

7. SN 番号を入力し、Submit を選択します

The screenshot shows the 'Step 3: Download the Echo software' page. It features two columns for '2.5" SSD' and 'M.2 PCIe / SATA SSD'. Below the columns are two images of SSD stickers with their respective verification codes. The page includes instructions to check the inbox for an email and follow the instructions inside. There are also notes regarding the software's limitations and contact information. At the bottom, there is an email address field (spphc2696@gmail.com) and a text input field for the Product SN (ex: 12345678-123456C), followed by a green 'Submit' button.

8.【SP Echo Software Download - Get Echo Software Serial Number】を受信し、Echo Software Serial Number がもらえます。

※迷惑メールで受信する可能性もあるので、ご注意ください。
